WOOD DUCK HOUSE	\$39.00		
FRESH LOCAL HONEY 1 lb. BOTTLE	\$7.50		

TREE PLANTER RENTAL Cost is \$50 per day Requirements

A tractor with three point hitch is required. 40 horse power is recommended, however, lighter soils reduce horsepower need. No hydraulics are necessary. Requires two people, one to drive, one to plant. Any of the seedlings will fit through the tree planter; however, some seedlings have root systems too large. NO transplants can be planted with the tree planter. The tree planter is on a trailer and can be hauled with any truck that has a 2 inch ball and hitch. To reserve the planter, include rental payment along with your tree order as indicated on the order form.

Make checks payable to Ingham Conservation District OR fill out credit card information.
